INVITATION TO A BIOMETHANE DAY

Thursday the 22 March at Sötåsen Agricultural Highschool, Sweden

Address: Sötåsen, 545 91 Töreboda, Sweden

Demonstrations and seminary day including a study visit

Theme: **Small scale biogas upgrading and fueling with a European outlook**

Preliminary Program. Coffee will be served in the restaurant from 9 am.

| | |
|------------------|---|
| 09.30 | Welcome, Bo Grenabo Tapper. Sötåsen Agricultural Highschool Introduction and presentation, Per-Ove Persson, The Rural Economy and Agricultural Society / Hushållningssällskapet |
| 09.40 | What is Record Biomap, Gustav Rogstrand, RISE |
| 09.45 | Biogas upgrading: Biological Methanation, Electrochaea (Germany) |
| 10.00 | Micro biogas plants, Metal Expert (Poland) |
| 10.15 | Technology for fueling and sale of biogas, Lars Brodin, Nordic Gas Solutions |
| 11.05 | Tool (app) to facilitate rural sale of biogas as a vehicle fuel, Petr Vasiliev, NeoZeo |
| 11.20 | Break |
| 11.35 | Ash-filter for biogas upgrading in a systems perspective, Åke Norberg, SLU / RISE |
| 12.05 | Solid manure digestion, problems and opportunities, Mats Edström RISE |
| 12.35 | Economics of small scale biogas upgrading with ash-filter, Linus Andersson, Hushållningssällskapet |
| 13.00 | Lunch |
| 13.45 | Study-visit at the biogas plant with ash-filter biogas upgrading |
| Ca 15.00 | Coffee break |
| 15.15 | Mapping tool for pre-market biomethane related innovations – the Record Biomap, Paulina Rusanowska , UWM (Poland) |
| 15.45 | Comparative impact assessment of biomethane related innovations. Kathrin Bienert, DBFZ (Germany) |
| 16.15 | Financial and regulatory frameworks within 15 EU-countries, Gustav Rogstrand, RISE |
| 16.45 – 17.00 | Summary and closing remarks |

Target groups:

All parties interested in biogas as a biofuel as well as entrepreneurs within the area.

Register before Thursday March 8 at:

Hushållningssällskapet, tel. +46 (0)511 248 00

or info.skaraborg@hushallningssallskapet.se
